POUR

Our new Crystal CCA is a Vegetable derived melt and pour soap base, made using **Carrot Oil, Cucumber Seed Oil and Aloe Vera**. Crystal CCA contains all the vitamins and nutrients found in these oils, such as Omega-6 from our Cold Pressed Cucumber Seed Oil. Crystal CCA is PEG free, Paraben free, contains no SLS or SLES and provides excellent skin feel, combining antioxidant properties with soothing Aloe Vera.

Ideal for manufacturers large or small, simply melt, mix, pour and create.

- > Vegetable Based
- > Rich in Beta Carotene & ProVitamin A
- > Contains Vitamin E, B1 & C
- > Soothing Aloe Vera
- > Anti-inflammatory
- > No SLS or SLES
- > Omega-6 fatty acids (linoleic) in the oil are effective for treating dry skin conditions
- > Helps ease acne, eczema and rashes.
- > Fantastic Skin Feel
- > Natural Orange Colour from Beta Carotene
- > High Foaming Lather
- > Beta-carotene, like all carotenoids, is an antioxidant
- > Excellent Skin Feel - High Glycerin

MADE IN ENGLAND

GUIDE RECIPE

Here we show you how to create a simple **Carrot, Cucumber Seed Oil & Aloe Vera Soap**.

To create your very own set of rustic Carrot, Cucumber seed oil, and Aloe Vera soap bars, here is what you'll need:

- > **Crystal CCA** - Carrot, Cucumber & Aloe Vera soap base
- > Fragrance oil of your choice
- > Dried Botanicals
- > A soap mould and slicer

Open - Open the packaging. We used the new 500G microwavable pack, super easy and clean to use.

Melt - if you have the microwavable packaging just place the tub directly in the microwave and begin the melting process. If you have an 11.5KG block or tray, remove and cut the soap up and place in a microwave safe container.

Mix - add your fragrance oil and stir well ensuring the fragrance is evenly distributed throughout the soap base.

Pour - Working quickly, pour your base into your soap mould and add your dried botanicals. Gently press them into the top of the soap.

Create - From there, all that is left to do is let the soap fully set and then slice your loaf into soap bars. I used a crinkle cutter to do this – We love the look it gives!

PACKAGING

Crystal Melt & Pour soap bases are available in a range of packaging, just pick a size that suits your needs:

- > 1KG Tray / 2LB
- > 11.5KG Box / 25LB
