Specification Agreement

for Product

PROTELAN LS 9011

Valid from 12.09.2012

Valid to 31.05.2021

Printed 06.05.2019

| Check parameter | Specification |
|-------------------------------------|---------------|
| dry matter (IR) ZS-No.: 29 | min 28,5 % |
| pH-value (5% solution) DIN 19268 | 7,5 - 9,5 |
| colony forming unit ZS-No.: 903 | max 100 KBE/g |

The above results have been obtained from our quality control. They do not disengage of an inspection upon arrival, neither do they assure the suitability of the product for a specific purpose.
