Zinc (ppm)	0	50	0	10-210
Microbiology (pathogens free)	Passed	Passed	Passed	10-123
Microbiology (<100 UFC/g)	Passed	Passed	Passed	10-123

Remark:

Original packing units tightly closed and stored at room temperature below 25°C. This certificate is established under the responsibility of our quality control laboratory and is valid without signature. Comparative controls are made against Sensient Cosmetic Technologies.

Important:

Certificate is for the use of your quality control laboratory. However, it does not relieve it of its obligation to inspect the product upon receipt.
