

Analytical Specification

Product number: 510393
Product name: Extrapone® Silk GW N

Product Characteristics

0223	Odour smellingstrip (pur) Odor, Smellingstrip, 100%	comparable to standard
0864	Color Visual evaluation in sample vial	pale yellow to light brown
0864	Appearance/condition Visual evaluation in sample vial	clear liquid

Chemical-Physical Properties

Code	Parameter	Unit	Lower Limit	Upper Limit
0001	Relative density (D20/4)		1.101	1.111
0002	Refractive index (n20/D)		1.382	1.392
0119	pH-value pH-value, directly		4.0	5.0

For information only

Flash point > 100 °C

Microbiological properties

Code	Parameter	Unit	Lower Limit	Upper Limit
0478	Total aerobic count Poured Plate	per g		100
0479	Mould Poured Plate	per g		10
0479	Yeast Poured Plate	per g		10
0512	Escherichia coli Enrichment per g		negative	
0454	Pseudomonas aeruginosa Enrichment per g		negative	
0511	Candida albicans Enrichment method per g		negative	
0453	Coag. pos. Staphylococci Enrichment per g		negative
