

Material Safety Data Sheet (MSDS)

Section 1 - Product and Company Identification

Product Name: Ultramarine Blue
C.I. Pigment Blue 29 (77007)
CAS No: 57455-37-5
Supplier: The Soap Kitchen

Section 2 - Composition

Sodium Alumino Sulphosilicate

Section 3 - Hazards Identification

This substance is not classified as hazardous.
Contact with acids could result in the liberation of hydrogen sulphide.

Section 4 - First Aid Measures

Skin Contact: Does not irritate the skin, wash off with soap and water.
Inhalation: Remove from area of exposure to fresh air. Seek medical attention in case of complaints.
Eye Contact: Rinse eyes with running water.
Ingestion: Non toxic no action needed. Seek medical attention in case of complaints.

Section 5 - Fire-Fighting Measures

Product is not flammable.
Extinguishing Media: Use extinguishing methods appropriate for surrounding fire.
Protective Equipment: Fire fighters should wear fully protective suits and self contained breathing apparatus.

Section 6 - Accidental Release Measures

Wear suitable protective clothing and ensure adequate ventilation.
Methods For Cleaning Up: Keep the formation of dust to minimum levels.
Scoop, sweep or vacuum excess powder into a container for disposal.
Prevent seepage into water systems.

Section 7 - Handling And Storage

Dust mask should be worn if the dust concentration is more than 10 mg/m³.
Use in a well ventilated area to control dust exposure to applicable limits.
Clothing: Use an apron or protective overalls to avoid staining of clothing.

Section 9 - Physical And Chemical Properties

Form: Powder.
Colour: Blue.
Odour: Odourless.
Flammability: Product is not flammable.
Explosion Risk: Product does not present an explosion hazard.

Section 10 - Stability And Reactivity

Chemical Stability: Stable under normal conditions.
Conditions to avoid: Humidity, Direct Sunlight, Contact With Acids.

Section 11 - Toxicological Information

Classified as non-toxic.

Section 12 - Ecological Information

Considered not harmful to the environment.

Section 13 - Disposal Considerations

Non hazardous waste.
Dispose of according to local and national regulations.

Section 14 - Transport Regulations

Not classified as a Dangerous Good.
Considered non hazardous for transportation by land, sea or air.

Section 15 - Regulatory Information

Complies with Directive 76/768/EEC and amendments for use in all cosmetic applications.

Section 16 - Other Information
