36 months if stored unopened and under storage conditions stated above.

ORANGE SLICES

LEGISLATION:

Free saleable.

ALLERGEN STATUS:

None known. 100% vegetarian content.

USE IN PRODUCTION:

If the goods or any part thereof supplied under the contract are processed, altered or tampered with in any way by the buyer or receiver of the goods or any other person, the quality of the goods shall be deemed to be acceptable by the buyer. All customers' quality checks are to be completed on the entire load prior to production and use.

INFESTATION:

Relating particularly to Coriander seed, Whole Chillies and Fennel seed: We cannot guarantee that goods will not at a later date be subject to infestation, unless specifically vacuum treated or heat-treated. Even after treatments, treated goods can be subject to re-infestation if incorrectly stored. Untreated seeds, herbs and spices on any form, treated with approved chemical fumigants, are still susceptible to possible infestation, as insect eggs are not destroyed by current chemical fumigants

NUT & ALLERGEN STATEMENT:

Unless otherwise stated, the products supplied are to the best of our knowledge free from nut, nut derivatives and allergens. JFS does handle some nut and allergen products but follows careful handling and segregation procedures. However, due to the nature of the products supplied, it is impossible for the Company to absolutely guarantee that no cross contamination has taken place at some point in the supply chain prior to delivery at our premises.
